Single Family on 0.00 Acres

Holyrood, Edmonton, AB

Welcome to centrally-located and highly sought-after HOLYROOD. To say that this home is turn-key is an understatement. Meticulous is the only word to describe the thoughtful updates and improvements made to this home. Enjoy a bright and open kitchen with plenty of storage, S/S appliances and quartz countertops that are perfect for the chef of the family. Two luxuriously renovated bathrooms with heated floors are ideal for cold Edmonton winters. Upgraded attic insulation and new windows through the whole house keep out the cold winter air, and with new central A/C you'll stay cool in the summer. Newly purchased furnace, hot water tank, shingles and new vinyl fence keep money in your pocket. Not only have all of the high-priced items been replaced but this home also has solar panels which offset the soaring prices of your electrical bill on an annual basis. A house like this in a neighbourhood like HOLYROOD will not last long.
